

CHAPTER 6

ARTICLE 5 – INMATE NOTICES

Section 62010.4.2

Revised November 1, 2004

Whenever possible, the inmate shall be given written notice of the date and purpose of the hearing. The notice should allow a reasonable period of preparation to discuss the issues to be considered.

Temporary emergency actions may be taken without prior notifications. Emergency lockups and transfers shall not require advance notice, but the inmate shall have the opportunity to present information at the next classification hearing following the action. The reasons for the action shall be given to the inmate in writing as soon as possible after the action was taken and before the appearance (Refer to the DOM 62050.10, Special Housing Assignments).

Actions Due to Overcrowding

When the sole basis for moving inmates under the provisions of CCR 3383 is due to overcrowding, the Director or designee shall notify the Senate Select Committee on the California Correctional System.
